4 Feb 58

Aud. Surv. Access,
Electric Trench Digger

The program is complete except for a little further testing and the final report. As hardware, we will have one Volkswagen equipped with a speed control system, a generator, and a reel of 250 ft of electric cable, and two 18" electric trench diggers.

No further action is anticipated.

15 Feb 58 (will probably be extended 30 days)
